JESUS IS THE DELIVERER INDIGO BLUE CHILDREN

Disney's **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe**
and Time Warner's **The Lord of the Rings ---Harry Potter Movies**

The below article comes from Pat Holliday at www.patholliday.com.

You are free to put this article on your web site. You may also copy and distribute it. I suggest you give it to your pastor, Love in Jesus, Pat Holliday, Ph.D.

We have Cd teachings concerning these issues.

Indigo children are young children with psychic abilities. The term "Indigo Child" comes from **psychic** Nancy Ann Tappe, who classified people's personalities according to the hue of their auras. An aura, according to New Age metaphysics, is a colored outline, or set of contiguous outlines, allegedly emanating from the surface of an object. Ms. Tappe says, that most adults are either Blue or Violet. According to Tappe, The Indigo label describes the energy pattern of human behavior which exists in more than 95% of the children born in the last 10 years.

There will be an explosion of these indigo children coming forth due to the release of a plethora of demonic-phantasy magical-filled of witchcraft-based books and movies, such as "Disney's **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe** and Time Warner's **Lord of the Rings --Harry Potter movies**.

Ms. Tappe says, "This phenomenon is happening globally and eventually the Indigos will replace all other colors. As small children, Indigo's are easy to recognize by their unusually large, clear eyes. Extremely bright, precocious children with an amazing memory and a strong desire to live instinctively, these children of the next millennium are sensitive, gifted souls with an evolved consciousness who have come here to help change the vibrations of our lives and create one land, one globe and one species. They are our bridge to the future," Ms. Tappe says.

Evangelization of Christian children by Disney and Time Warner fantasy movies will produce a new generation of wizards and witches. They have found the Achilles heel of the Church. You can expect a New Age of great darkness that the world has ever seen if the church continues to sleep concerning the powers of darkness. There is a mass evangelization of children into the world of witchcraft. They are creating Indigo Children . . . Children sensitive to the ethereal world of demons. Children are being served Satan on a golden platter. Through the medium of fantasy movies and subliminal manipulation, they are able to reach into the children souls and steal them. Children fall into trances and once the mind loses its normal connection with the body the person then is ready to meet his/her "Guiding Spirit." The condition comes about through demonic contact. An Indigo Child has a guiding spirit (a demon).

Sadly, Disney and Time Warner have found a new audience; Christians to spread their false, New Age gospel. They have discovered new willing partners, Christian Television and Radio; Christian pastors and youth ministers; Christian Book Stores and Christian parents. (1 Tim 4:1-2), "Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; 2 Speaking lies in hypocrisy; having their conscience seared with a hot iron."

Unfortunately, this sobering statement has not been taken too seriously by many professing Christians and some are now departed "from the faith" and following "doctrines of devils" or demons.

Apparently, many of these believers did not believe it was possible that they could be deceived and led away from their "firm foundation" of Jesus Christ. Therefore, due to their deficiency of understanding of the spiritual warfare that Christians are up against, their guard is down and they are open to subtle Satanic attack.

As a result, they have become victims of Satan magic tricks who **"as a roaring lion,** walketh about, seeking whom he may devour" (I Pet. 5:8). Maybe Aslan is Satan.

The occult and witchcraft are the most dangerous thing that the church is facing today. Just reading books can cause you to open to witchcraft. When you tell parents and pastors these things, they don't believe you. In a popular TV show, the heroine calls upon spirits, spells, and magic to defeat demonic beings. In another show, teenage witches use their white magic to defeat evil warlocks and spirits. Such popular shows deal with the world of the occult. The occult has thrived since the beginning of civilization. Throughout the Old and New Testaments, the prophets of God

confronted the problem of the occult.

Times have changed and Western morality continues to decline into deeper and deeper depravity. The social indicators reflect a continual rise in violent crime among youth; physical, sexual, and drug abuse; homosexuality; teenage pregnancy; abortion; suicide; and lately a significant rise in employing witchcraft and the occult as a way of acting out rebellion.

The term *occult* is derived from the Latin word "*occultus*," which means to cover up, hide, or those things which are hidden or secret. A brief definition of the occult is the practice of attaining supernatural knowledge or powers apart from the God of the Bible. Through these practices' occultists seek to influence the present or future circumstances, of their lives or the lives of others. No one can dabble in the occult and come away unshackled. It is not harmless games and fun. Occult involvement whether done innocently or not, is disobedience to God's Word. When people ignore God's warning and enter a forbidden realm, they witness spiritual phenomena. The Devil does have supernatural power. However, everything he does for people, he requires payment. The result of occult involvement causes oppression, depression, confusion, delusion, and physical ailments of all sorts. We are warned not to be ignorant of Satan's devices in (11 Cor. 2:11).

Why is there such an interest in the occult?

Experts point to several factors. The first is disillusionment with the church and organized religion. The second factor is curiosity. There is an attraction to the occult that appeals to the interest in the unseen. Many begin with "harmless" dabbling, but this can often lead to more. Third, there is the quest for power. People want control over the future, spirits, or over other individuals.

There are three primary categories of the occult world: divination, magick, and spiritism. Divination is the attempt to foretell the future and thereby shape our lives accordingly. The divination arts include astrology, zodiac charts, crystal balls, tarot cards, palm reading, psychics, numerology, and horoscopes.

The delusory category is magick or paganism. Those in magick, attempt to control the present by ceremonies, charms, and spells. The magick arts include witchcraft, white magic, black magic, sorcery, Satanism, black mass, and witch doctors.

In our time, there has been a mass exodus from the true Christian faith. The most alarming thing is that millions attend church but they do not know what they believe. Many sermons never speak the name of Jesus. Many teachers have need of teachers.

The church must go back to the basics of the gospel if it is to survive. Hardly anyone attends the Christian Church in the Common Market area. Only 2 percent go to church in England. The church must quickly awaken from its self-appointed slumber or America will soon join those countries of empty churches. The Devil is no longer looking into the church, he's arriving inside and stealing the children with the help of Disney and Time Warner and church leadership. "Therefor shall ye lay up these my words in your heart and in your soul. . . . And ye shall teach them your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, when thou liest down, and when thou risest up," (Deut. 11:18-19).

THE CHRONICLES OF NARNIA ANOTHER SPIRIT- ANOTHER JESUS - ANOTHER GOSPEL

The author just received a magazine from a Christian book store chain. There was a colored glossy--center fold advertisement from Disney Pictures and Walden Media presenting "**The Chronicles of Narnia: the Lion, the Witch and the Wardrobe.**" This ad is promoting pre-buy as a special 2-Disc Collector's Edition DVD for \$19.97. Don't you find it amazing that the Disney-homosexual based company is suddenly interested in evangelizing children for Jesus? I don't think they are promoting the real Jesus. This is absolutely presenting "**another Jesus-another spirit- another gospel.** The apostle Paul warned in (2 Cor. 11:4), "For if he that cometh preacheth **another** Jesus, whom we have not preached, or if ye receive **another spirit**, which ye have not received, or **another gospel**, which ye have not accepted, ye might well bear with him." They are hunting for souls of children and parents. If you are a Christian and have rushed out to see this demonic movie, you must repent and both you and your children will need deliverance.

The ad says, "**Disney's The Chronicles of Narnia: the Lion, the Witch and the Wardrobe:** Bring home your copy of this instant *family classic*! [Emphasis mine]. Disney's **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe** tells the story of four Pevensie siblings, who stumble into a magical world called Narnia, a land held captive by the evil White Witch, who has made it always winter and never Christmas. But with the arrival of the children comes the rumors of spring and word that the good lion Aslan is on the move, setting up the ultimate showdown between good and evil. Available on wide screen and full screen editions . . ."

Have you noticed that "another Jesus, another Gospel," is being preached everywhere? The word fantasy actually means illusion. The word illusion means magic. **Magic**

"By the use of magic one attempted to manipulate of force the `gods' into certain courses of action. Child sacrifice was mentioned here because it was used either as

a means of foretelling or as magic to manipulate certain events" ¹ These powerful delusions are being aimed at your family by an occult based, money hungry company. When your children no longer want to go to church, then you may understand these articles that have been written to warn you of the lurking dangers.

The world of the occult not only brings a false message, but a dangerous one as well. Experiences with the occult drive us away from God and bring us into contact with the demonic realm. Jesus said the Devil is *"a liar and the father of lies."* (Jn. 8:44) In dealing with the demonic, you cannot expect them to deal in truth. The Devil and his legion only seek to *"steal, kill, and destroy."* (John 10:10)

For this reason, (Deut. 18) labels the practices of witchcraft, sorcery, divination, and necromancy as detestable to the Lord. It was these practices that brought judgment on the Canaanites and expelled them from the land. God did not want such teachings to infiltrate any culture. The church must not only present the danger of the occult, but the message of life and victory found in Jesus Christ over the principalities of darkness.²

The Apostle Paul warns of the wide spread of heresy from the Christian faith. The word Apostasy conveys the particular idea of **falling away, a withdrawal, a defection from the faith.** Paul goes on to say in the scriptures, **"Let no man deceive** you by any means; for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition," (I Thess. 2:3). The Bible shows in (II Thess. 2) the last days that a spirit of **"strong delusion"** will overtake the whole world.

INDIGO CHILDREN

Witchcraft-based products have invaded the earth that is aimed at children that bring youngsters into a certain state called Indigo Children. This terminology has been coined by occultists to designate children who have **"blue auras"** that surround their bodies. The psychics say that these **auras** appear in seven colors of the rainbow. This is an occult description by **psychics** [white witches or wizards] and they believe it shows the psychic spiritual abilities of a person. A person is born into these powers by the curse following the family line to the fourth generation, as shown in the Bible in (Ex 20:5). "Thou shalt not bow down thyself to them, [idols or strange gods] nor serve them: for I the LORD thy God am a jealous God, visiting the **iniquity of the fathers** upon the **children unto the third and fourth generation** of them that hate me."

Another way children can become indigos is having direct exposure to the occult or witchcraft powers, i.e., occult oriented books, television and movies. Also by owning objects such as dolls, monsters, mystical figures that is associated with these

defiled entertainment media. The demons will come home with the child and then torment with nightmare dreams and even physically hurt them. I personally have seen bites and wounds inflicted upon children by night demons.

MOTHER OF AN INDIGO

The Devil is now targeting Christian children for witchcraft destruction. Their faith and bodies are objects for demonic control. A recent article shows us the dangers. I will not give the source of this information or the real names of the people involved. The mother, I'll call Della and her son, Matt.

Della was taken aback when her 4-year-old-son started talking about his past lives, describing brothers, sisters two dogs and a cat. "And then he told me he died when he was 6 and that he waited before being born again—waited for me so I could be his mommy." This young man is called an indigo child by the occultists but by Christian deliverance ministers he would be called "demon possessed." Notice that the evil spirit that is speaking through him uses Christian terminology, "born again."

"But it's what Matt says about the future that really rattles this young mother and leads her to conclude that he is one of the so-called Indigo Children — believed to be the new generation of high-energy, sometimes difficult youngsters who have psychic abilities and a deep-blue aura.

"I'm not going to grow up," Matt says nonchalantly when he is questioned about the future. "Not everybody grows up." Della is convinced that Matt is not speaking of Peter Pan but calmly predicting his own death.

In Christianity, we teach that words are spiritual and can cause things to happen in our lives. There we teach that you should be watchful about the words that you speak. This demon in the boy is prophesying his death. The mother correctly says that she is frightened by his prediction of his death. It will happen because the demon is free to bring this awful prediction to past. We teach our people to bind these kinds of situations by the Name of Jesus according to (Matt. 18:18). Of course we would also cast this evil thing out of the boy.

The boy is not fearful to die because the demon has already convinced him that he had lived before. [reincarnation). After all, he believes that he has lived before and returned to this life. The demon has taught him these lies. This is another occult teaching that you are going to die and live again. The Bible doesn't teach this lie. (Heb 9:27), "And as it is appointed unto men once to die, but after this the judgment." The Bible warns against using divination, (Deut. 18-12). Definitions by Webster. DIVINATION: The art or practice that seeks to foresee or foretell future events or discover hidden knowledge, usually by interpretation of omens, or by the aid of supernatural powers.

Can a Christian be made subject to these occult powers? Some authorities

believe they can! Dabbling in the occult and even reading books on the black arts can bring much distress. Anyone who wishes to learn should consult only books written by evangelical Bible scholars for their information. “Ye cannot drink the cup of the Lord, and the cup of devils: Ye cannot be partakers of the Lord’s table and of the devils. Do we provoke the Lord to jealousy? Are we stronger than he?” (I Cor. 10: 21,22).

The news article about Indigo Children goes on to reinforce its subject of reincarnation. “Mainstream doctors, scientists, psychologists and educators shake their heads at the very idea of Indigo Children, who are described as “old souls” returning to Earth to usher in an era of environmental renewal and political rebirth born of peace and compassion.” Of course, the above statement ties the belief system of the New Age worshiper into our modern day occultists.

This movement has gained thousands of believers since it emerged in the eighties spawning an array of books, Web sites, services and specialists. This weekend, followers are expected to line up to see a new documentary. *The Indigo Evolution*, **premiering at more than 500 churches** and community centers around the globe. Notice the connection to the teaching of evolution and then “churches.”

One movie producer/director adds, “These new humans, this evolution, we’re seeing, is in answer to the mess we have made of the world.”

These Indigo Children are being defined as “restless, fearless” individuals who “believe in themselves . . . have difficulty with absolute authority,” and “often see better ways of doing things, at home and in school.” They are in every country, every continent, and only a clairvoyant can see their auras. They recommend that Indigo Children attend private New Age schools that focus on individual needs.

The above is a **description of a rebellious child**. For REBELLION is as the sin of witchcraft, and stubbornness is as idolatry,” (teraphim household good luck images). (1 Sam. 15:23). There are many repercussions that come upon a rebellious person. The Bible says the rebellion is as the sin of witchcraft. According to the word of God REBELLION carries many curses: death, being cut off from the Lord, enslaved by our enemies (demons), etc. As you read the scriptures listed, you will see many demons and disasters associated with REBELLION. The curse of REBELLION influences our lives in a great many ways but thank God that JESUS became a curse for us (Gal. 3:13). However, you must break the curses and cast out the demons in THE NAME OF JESUS. The next step is to confess your iniquities and yours ancestors’ iniquities and break the Curse of REBELLION:

A sample prayer is: Father, In JESUS Name, I confess and repent and ask you to forgive me and my ancestors for the sin and iniquity of REBELLION. I go back ten generations on both sides of my bloodline and In the Name of JESUS, I break the

curse of REBELLION in my life.

Now cast the demons out in The Name of JESUS. If possible you need to find a DELIVERANCE Ministry to help you with the casting out of demons.

DEMONS: REBELLION, murder, retaliation, bitterness, unforgiveness, violence, temper, anger, self-will, stubbornness, disobedience, anti-submissiveness, etc. (This is not a complete list but one that you can begin with.)

The above news article continues its description of the Indigo children. It also shows a lawless child, (1 Tim 1:9), “Knowing this, that the law is not made for a righteous man, but for the lawless and disobedient, for the ungodly and for sinners, for unholy and profane, for murderers of fathers and murderers of mothers, for manslayers . . .” Remember Saul's REBELLION caused his kingdom to be torn. We can relate this to our homes, families, children, jobs. It is no wonder that our teenagers are so rebellious. The 160 year curse from the great-grandparents, then the 3rd generational curse from the grandparents, then the 4th generational curse from you. There are no books can tell you what to do or how to raise your children. It is the curse of REBELLION and must be broken in THE NAME OF JESUS and the demons cast out . . . Then we will prosper and be fruitful as the Word of God speaks.

INDIGO CHILDREN OF THE NEW AGE

In the above news article that we have been writing about, a self-described Clairvoyant named Nancy is credited with first sighting and identifying Indigos. Claiming to see the colored energy fields that, she said, surround every individual. She was starting to see children a new blue aura. She outlines four types of Indigos — humanist, conceptual, artist and inter dimensional — who she claims, “will become tomorrow’s doctors, engineers, artists and religious leaders.

Another psychic says many Indigos also exhibit other, more troublesome traits; impatience, a sense of entitlement that borders on boorishness and uncontrollable rage. (**This sounds like** demon possession to me). She says that and Indigos are “so smart that they are bored and distracted easily.”

These descriptions show Indigo children as extremely unstable. Some describe them as ADHD. They are being given drug Ritalin. This is a drug to calm the children.

Back to Della and Matt. After being diagnosed with breast cancer when she was only 28, her belief that everything in life happens for a reason was part of her survival strategy. Her psychic physician introduced her to the Indigo phenomenon. Della says, “she came to my house and she looked at Matt and said, “You know he is

Indigo.” The psychic doctor had a son 15 that she said was Indigo.

The doctor said. “I see Indigo as that color of the spectrum of light that has to do with spirituality. It means that your soul has reached nature.”

When you allow a psychic to give you a prophecy or healing over your child, the child will become possessed. If you remember the story of psychic Jean Dixon, she was prophesied over by a Gypsy who gave her a crystal ball. Jean Dixon lived and died as a witch. The occult is very religious and many seeking it hope to find themselves, a reason for their being and to fill a void in their soul. Instead, they will enter a door that very few are returning back through. Once ensnared by the Devil, the person's mind, body and spirit is totally bound by the powers of darkness. The only way out is through the grace of God and the Blood of Jesus Christ!

Continuing the psychic article that we have been examining, “another psychic predicts that there will be no new Indigos that will be born. She says that she’s already beginning to see Crystal children, born with exceptional healing powers and the ability to communicate telepathically. Their challenge, she says, “is that they may be mis diagnosed with autism.”

This is nothing but the occult and witchcraft. If Jesus does not really occupy the highest place in our hearts, controlling all, something else does - millions are now serving other gods. "For thou shalt worship no other god: for the Lord, whose name is Jealous, is a jealous God," (Ex. 34:14).

JESUS CHRIST OR SATAN

There are only two sources for supernatural power: Jesus or Satan. Seeking power beyond the Word of God and Jesus Christ finds one stepping into the world of the Occult.

So there you have it. Satan wants to fill the world with psychic children. He wants to “rebirth” them instead of Christians bringing into becoming born again for Jesus. If you don’t believe that we are living in the last days and that demons are preparing your child to meet the Antichrist, these articles should help to convince you.

This is an indoctrination to bring the world to the Antichrist. There is the shocking attack and all-out spiritual war being waged currently against the kids by Satan's demonic legions. His faithful, New Age leadership and their millions of disciples are working to enslave innocent children into its evil camp. Sweeping across America and the globe these demonic New Age dupes are quickly seizing the spiritually inexperienced people into its corrupt network. Satan's program of ongoing,

systematic child perversion knows no bounds. Idols, images, concepts, and symbols of the New Age, and of sorcery and witchcraft now permeate kid's books, TV programs, cartoons, and movies. The church must teach that parents must be involved in this issue with their children. "Train up a child in the way he should go: and when he is old, he will not depart from it," (Prov. 22:6.).

Meanwhile, a great majority of the church, sleeps. The false have replaced the truth. Money has replaced a search for saving souls. Sin has replaced ethical motives. Preachers preach about themselves and everything but the Jesus. Children are entertained by immoral, unregenerated rock bands, puppets, with very little biblical standards. It is never easy to watch ungodly activity and unbiblical beliefs grow in popularity, nor is it ever comfortable to take a stand against such problems. The most important thing to remember is that it is critical to please the Lord.

You must totally depend on God and His divine protection. You can know that He is able. You must ask Him for guidance and we must do so continuously. Let us contend for the undefiled faith, not wavering, not growing weary without reservation or compromise. Persevere, but do not despair when people reject your message of Love and Salvation. Rejoice even when they revile and persecute you. The children should be encouraged to participate with you in spiritual warfare.

Cleanse the home of rock music albums, demonic toys, Satanic posters, idols, Satanic videos and fantasy-magical movies from Disney. God has designed that parents train their children in righteousness. Our young people need to be familiar with the Word of God-not the occult. "The graven images of their gods shall ye burn with fire: thou shalt not desire the silver or gold that is on them, nor take it unto thee, lest thou be snared therein: for it is an abomination to the LORD thy God," (Deut. 7:25).

"Hear, O Israel: The LORD our God is one LORD: And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might. And these words, which I command thee this day, shall be in thine heart: And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up" (Deut.6:4-7).

DISNEY VS CHRISTIANITY

Not Everyone entrusts their kids to Disney or fills their home with Disney merchandise. Some pro-family activists have been critical of Disney for its neglect of, and occasional attacks on - culture. They believe the Word of God when it says, "Many deceivers are entered into the world, who confess not that Jesus Christ is come

in the flesh This is a deceiver and an Antichrist. Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. If there come any unto you and bring not this doctrine receive him not into your house, neither bid him God speed: For he that biddeth him God speed is partaker of his evil deeds," (2 Jn. 7).

Disney invariably belittles authority and religion, especially Catholicism. Yet this company is the world leader in feeding our children their steady diet of movies and videos. One only has to watch the Esmeralda dance in "The Hunchback of Notre Dame" to question Disney's idea of 'family entertainment.'

However, to see Disney as a guardian of the faith of Christian Children and Christian leaders of driving Christian parents to demonic movies such as Disney's **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe** and Time Warner's **Lord of the Rings** movie is unbelievable. In **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe**, the lion Aslan, that is supposed by an analogy of Jesus in this movie, is sacrificed on a marble altar is sacrificed exactly like Satanist sacrifice their animals to Satan. The first "fictional character that is introduced to the children in this movie is a mythicological Satyr. This figure is worshiped by devil worshipers, worldwide! Tolkien's **Lord of the Rings** is a title of Satan. Have some Christian leaders and some Christian pastors gone insane? "And whoso shall receive one such little child in my name receiveth me. But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea," (Matt 18:5-6).

Christians should never seek service, direction or healing from an occultist or psychic. When any Christian pursues healing from these demons, they will be bewitched and guided by the devils. Many have discovered to their surprise and horror that Satan is the one who is willing to divulge supernatural affairs and give them momentary assistance. Often too late, they find that the real source of their advice and supernatural ability is demonic. Confusion results and many end up going into insane asylums and never return! Occult powers come from Satan. When one uses occult power he or she opens a door for the devil to enter into their spirit. Once the door is opened, very few victims ever get it to shut again.

HOMOSEXUAL AND DEVIANT LIFESTYLES

Have Christians forgotten both Disney's and Time Warner's Homosexual agenda? Let me refresh your memory. "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? And what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? And what agreement hath the temple

of God with idols?" (II Cor. 6:14-16a).

Sexual obsessions Disney-owned companies have recently begun embracing bizarre sexual themes such as *Growing Up Gay*, a book for young teens published by Disney-owned **Hyerion Press** and written by three Funny Gay Males. It encourages its readers to explore the homosexual lifestyle. The book is dedicated to: "All gay youngsters out there who were bred by heterosexuals."³

Disney acquired **Miramax**, a company that had released some perverse films such as "**The Crying Game**," which features a transvestite, and **Pulp Fiction**, which depicts a homosexual rape.⁴

Disney advertizing has appeared in **Out**, a homosexual magazine. Disney executives helped under the 1993 and 1994 Hollywood benefits for the **National Gay and Lesbian Task Force**.

Disney amended its corporate policy so that same-sex partners of its homosexual employees receive company benefits. Tom Shumacher, vice president of feature animation, takes his husband to executive retreats.

Disney World has been the site of a gay and lesbian day for the past five years. Yet, this year, theme-park employees did not post signs warning guests of "gay day," as they had done in previous years. A number of parents bought their tickets, unaware that they and their children would encounter homosexual couples, some of whom kissed in public views.

The cartoon Pocahontas is a New Age depiction of history. She draws spiritual wisdom from a tree, a rock and the wind. Her main accomplishment is converting the gun-toting Jn. Smith into a 17th-century environmentalist. The real Pocahontas was converted to Christianity. There are sexual subliminal on cartoons. Despite these offenses, Disney's reputation as a family friendly corporation has endured.

Movies like **Priest** and **The Hand That Rocks the Cradle**, shocked millions and sexually laced, suggestive, subliminal and/or morally questionable animated features like **The Lion King**, **Aladdin**, **The Little Mermaid** and others have virtually ripped the heart out of the once-lauded **Magic Kingdom**. To many, the Disney corporation became "the mouse that roared," but with new and astounding revelations about the current Disney attitude, it appears that Uncle Walt's family have become troubled with an agenda that includes sexual immorality, homosexuality, violence and anti-family productions. At the same time they are also involved producing witchcraft films. Witchcraft (**witch**, KJV) involves practicing magic by incantations. A witch is, "One who cast spells (charmer, KJV) is literally 'one who ties knots,' thus one who binds

other people by magical mutterings or **Sorcery** (an observer of times,' KJV) (Lev. 19:26; Isa. 2:6), the attempt to control people or circumstances through power given by evil spirits (demons).

This is another reason to avoid these magical movies. The witches have worked their powers to tie the souls of children into a fantasy world. The children that are being exposed, could very well lose their eternal lives.

We just ministered to a 12 year-old girl who had been to see the “Christian Movie” Disney’s **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe**. I’ll call her Marie. She said that she was afraid that she was going to turn into to a demon. Marie was born into the Christian Church. I cuddled her in my arms and told her that Jesus loved her. I asked her if she wanted to ask Jesus to come into her heart? She said yes. The church prayed the sinners prayer with her. Then in a normal voice we called the spells and demonic forces out. Her eyes started spinning around and around. It was not normal. Then she smiled. She said, “it’s gone. I feel so good.” Her entire face changed and became very bright.

On the way home, she told her aunt, “I feel like I could whip the whole world. When I get home, I’m going to get rid of all my dragon toys and my Narnia toys. I love Jesus.” YOU SEE, SOMETHING LEFT HER THAT SHE PICKED UP FROM THESE SORCEROUS –MAGICAL MOVIES!

Think about what many in the church are doing to their children. They are offering them on the altar of sacrifice to the roaring lion instead of the Lamb of God. What is Jesus going to say? “Depart from me, I never knew you. Or well done, my faithful servant.”

What you can do. Engage friends and relatives in reasoned discussion about Disney. It won’t help to suggest the Disney chief Michael Eisner is the devil incarnate; instead, suggest that it is not necessary for Disney to abandon its historic family commitment to virtue in order to make a tidy profit. Suggest Disney isn’t deserving of special consideration.

According to Christians in the film industry, there are more evangelicals working within Disney than ever before. Pray that they will have an impact. You could financially boycott of Disney. We can live without this trash.

AVENUES TO WITCHCRAFT

Demonology has become very attractive to Americans. Everywhere you go, you can now witness occult activity. It is blatant. Psychics and astrologers are using the 900 numbers. Occult themes are being worked into many television programs. Talk shows are featuring astrologers, diviners, clairvoyants, scientologists, Satanists, witches, psychics, crystal gazers, dream analysis, yoga meditator, reincarnations, hypnotists,

fortune-tellers, spiritualists, parapsychologists, numerologists and New Agers. Occult movies, heavy metal rock music, fantasy role-playing games. These games have the attention of the young and the old. Books on magic, witchcraft, paganism, Satanism, gremioires cross the boundary lines of gender. Objects used for spells, such as candles, incense, knives, pentagram, inverted cross, symbolic jewelry are being sold in great numbers. "For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed ass the ministers of righteousness; whose end shall be according to their works." (2 Cor. 11:13-15).

SPIRITUAL HOUSE CLEANING

Spiritual house cleaning should be done by the anointing it with olive oil in the name of Jesus. "Thou shalt have olive trees throughout all thy coasts, but thou shalt not anoint thyself with the oil; for thine olive shall cast his fruit," (Deut. 28:40). "And thou shalt take the anointing oil, and anoint the tabernacle, and all that is therein, and shalt hallow it, and all the vessels thereof: and it shall be holy," (Exod. 40:9).

Binding and commanding all powers of darkness to leave. (Matt. 18:18). Anoint the doorways, windows. Discard all statues, images of animals --- this includes stuffed animals. Jewelry with, hex signs, ancient geometric & mystical motifs, good luck and talisman, to chase evil spirits to leave. "Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places," (Num. 33:52).

The Scriptures prophesied of increased occult activity that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of demons. God's word states clearly and gives us graphic occult practices that God defines abominations. Christians and Jews will surely be without excuse when they stand before the Judgement seat of God because they have the Word of God.

"When thou are come into the land which the Lord thy God giveth thee, thou shalt

not learn to do after the abominations of those nations. There shall not be found among you anyone that maketh his daughter to pass through the fire or that useth divination, or an observer of times, or an enchanter, or a witch, or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. For all that do these things are an abomination unto the Lord: and because of these abominations the Lord thy God doth drive them out from before thee," (Deut. 18:8-12).

HOW TO RECOGNIZE SUPERNATURAL DEMONIC OPPRESSION

Some manifestations can suggest occult bondage by occult demon spirits. However, causation must be used for some of these symptoms may originate from other causes.

Mental confusion, extended periods of gloominess, depression, unpredictable behavior, stealing, sexual lust, perversions, appetites, temper tantrums, uncontrollable hatred or suspicion, jealousy resentment, delusions, compulsive lying, gambling, obsessive thoughts of self destruction, Blasphemous thoughts against the blood of Christ, God or The Holy Spirit, speech and behavior abnormalities, religious delusion, seeing apparitions, hearing spiritual voices, chronic physical ailments that do not respond to medical treatment and fear of dying.

It should be clear by now that if a person is involved in any of these magical-occult movies such as "Disney's **The Chronicles of Narnia: the Lion, the Witch and the Wardrobe** and Time Warner's **Lord of the Rings –Harry Potter movies**, they should repent and denounce all they have done before God and throwing away all demonic objects. You have invited Satan in by these movie activities and you must boot him out! It is best that you ask the Lord to lead you to a strong Christian to pray with you. Satan may well have pretended to be a gentleman when he entered, but you will have to kick him out like a trespasser to get him to leave. He leaves by direct command to Satan himself to depart in the Name of Jesus (not a prayer or request, but a command).

Freedom can come only through confession of Faith, Jesus Christ. Jesus is the only deliverer from the powers of darkness. Confession of all Occult involvement and repentance (Godly sorrow) and a merciful God will not abandon His children to Satan. Confession means to agree with God and the Sin. Depart from all demonic agreements, denounce Satan and command him to depart! It is imperative when a blood pact or agreement has been made with the powers of darkness to renounce all contracts. Turning to Jesus Christ, asking Him for forgiveness and commanding the demons to leave in His Name. Then forsaking all of these accursed practices live for Him. Remember you don't have to scream at the demons. They know who Jesus is and they obey and leave because of His name, Jesus.

You must be firm and choose too forever to take back the place that you once gave

to him! Associate yourself with Christians who will pray for you and stand with you. Fill yourself with the things of God and you will stay free.

Never go back! Because if you do, you'll be seven times worse!

DELIVERANCE AND FREEDOM

1. **CONFESSION OF FAITH IN JESUS CHRIST:** Victims of occult dominion must, with all sincerity, trust Christ and confess Him as Savior. Jesus is the only deliverer from the powers of darkness (demons). You must call upon the name of Jesus and be reconciled to God before dealing with the problem of occult involvement. You must be determine because Satan does not let people go easily. It is only through the blood of Christ and you're open and honest confession of Jesus as Savior and Lord and that liberation will come.

2. **CONFESSION OF ALL OCCULT INVOLVEMENT:** By confessing the specific sins of occult transgression, you unmask the enemy and expose the strategy by which you were held in bondage. Confession means to agree with God about the sin.

3. **RENOUNCE THE DEVIL AND COMMAND HIM TO DEPART:** Satan has a right to enter when a pact or agreement has been concluded with the powers of darkness because you have opened the door for him. You have granted Satan access through occult involvement. All agreements must be annulled and can only be dissolved by a conscious verbal act of repudiation on the part of the one subjected. One can say, you must depart in the Name of Jesus (Not a prayer request, but a command. Make it clear once and forever that you are taking back the place, the agreement, the lease, the pact, that you gave to Satan.

4. **FREEDOM:** You must realize that deliverance is a walk as well as experience. The ground taken from Satan must be safeguarded for Jesus. After deliverance, it is necessary to walk in the will of God according to the Word of God. The riddance of all occult objects, charms and literature is indispensable to a sustained freedom. All objects are to be done away with and destroyed, (Acts 19:18,19). *"Put on the whole armour of God that you may be able you stand against the wiles of the Devil."* (Eph. 6:10-18). Study and stand on the Word daily. Above all, do not rely on feeling or appearance. Satan knows he is defeated and because God's Word says it . . . You believe it and that settles it!
